

Who Had the Opportunity?

Detective Basse asked each of the six remaining suspects what time during the day they arrived at the Moneybags mansion. Complete the logic puzzle to determine the name of each suspect and the time they arrived at the mansion.

	Byrd	Grey	Hill	Whit	Free	Tull	8:00 a.m.	8:30 a.m.	10:00 a.m.	11:30 a.m.	12:25 p.m.	4:20 p.m.
nephew												
secretary												
director												
butler												
housekeeper												
cook												
8:00 a.m.												
8:30 a.m.												
10:00 a.m.												
11:30 a.m.												
12:25 p.m.												
4:20 p.m.												

Clues

1. Byrd arrived at 10:00 a.m. after Hill and Grey.
2. Whit arrived at 12:25 p.m. before the secretary.
3. The housekeeper, whose name is neither Grey or Free, arrived first.
4. The butler arrived after the cook but before the nephew, whose name is Tull.

How does this information help Detective Basse? _____

Based on this evidence, can he eliminate anyone as a suspect? _____
